

*American Guild Of Organists Palomar Chapter*

April, 2019

Dear Teacher, Musician, Director, or Parent,

An exciting event is planned for keyboard students/teachers/ & parents.

**Introduction to the King of Instruments** will take place on Saturday, May 11, 2019 at St. Thomas More Catholic Church, Oceanside 10:30 a.m.-12-30 p.m.

Please see the attached flyer for details.

I have found that boys really like to play the organ. What a great way to use piano skills and perhaps even gain enough skill to finance some college expenses. We will emphasize that it is important to continue piano study if one wants to learn to play the organ.

If you are a teacher, please consider this:

The 2 hour event could be a "Field Trip/Class Lesson" for which you are paid your lesson fee and attend with your students. We will provide a "hands on" opportunity for students to play a piece on the 3 Manual Allen Organ with assistance to help demonstrate the exciting organ sounds. Additional "up close" performances by professional organists/students will demonstrate the variety of the Organ as well as short Videos of organs in various settings. Then PIZZA!

Please reply to this letter/email and let me know your interest and response. Our chapter is underwriting the expenses, but we do need to have a count for planning/preparing by May 4th. I will send you flyers by snail mail - just let me know.

Looking forward to a fun event!

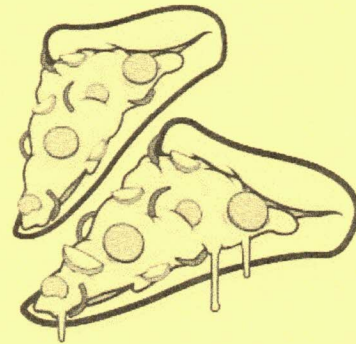

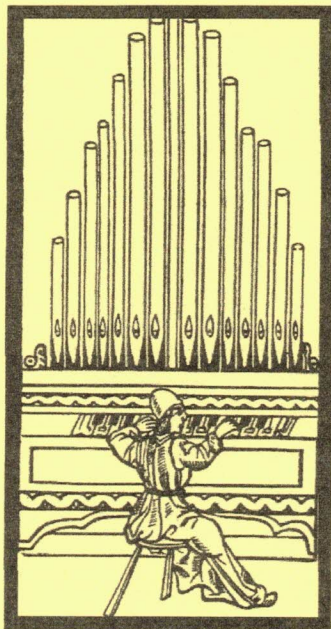

Carol Graham,  
Education Chair, Palomar Chapter, American Guild of Organists.
