A Note from the Dean

Dear Palomar AGO members,

We have seen some warmer days recently, but the last two have been cool and gloomy. I never mind a cooler summer with less need for the air conditioner.

Thanks to those of you who came to my recital at Palomar College. I felt pretty good about it. The room with the organ finally has a new HVAC unit, so I am hopeful that we will have a Thursday afternoon concert on the organ once again in the Fall after several years without.

I am sorry that the Thomas Mellan event had to be cancelled at the last minute. We are hoping to have a members' recital sometime later in May. I will have more details soon.

I hope you have a great month of May!
Warm regards,

Dr. Emma Whitten Performs

The Year of Hazel, a year-long celebration of Christ Cathedral's restored Hazel Wright Organ, continues on May 3 at 7:30 p.m. with Dr. Emma Whitten.

Whitten, the cathedral's associate organist, and a member of AGO Palomar chapter, is an accomplished musician specializing in early Baroque and contemporary repertoire. She performs across the United States and internationally, captivating audiences and introducing the organ to new listeners. Her programs are engaging and diverse, drawing from an extensive repertoire spanning eight centuries of organ music.

Tickets for the concert are \$20, with premium seating available. For more information, visit ChristCathedralMusic.org.
